Notes:

1. Source: Department of Home Affairs
2. Occupation data only applies to primary applicants.
3. On hand data is reported as an end of month snapshot.
4. As at 31 December 2023, there were no subclass 491 applications on hand, from United Kingdom nationals who specified an occupation minor group of Medical Practitioners ANZSCO 253.
5. No data is available for subclass 491 prior to its commencement in November 2019.
6. The Temporary Skill Shortage (TSS) (subclass 482) program commenced on 18 March 2018.
7. On hand data for subclass 482 with the requested metric breakdowns is not available as at 31 December 2023 from existing reporting and data as at 29 December 2023 is the closest available.
8. The department is unable to provide subclass 482 refusal data with the requested breakdowns from existing reporting.
9. The department does not have an existing report that allows for on hand subclass 482, 186, 187 data per year.
10. The department is unable to provide subclass 186 and 187 data with the specified breakdowns prior to 1 July 2013 from existing reporting.

Caveats:

- *This information is provided for the specific purpose of this request.*
- *The department's immigration data policy is to mask numbers which are less than five as <5, to protect the privacy of applicants.*
- *Current program year figures are subject to variation. The data is sourced from our global departmental systems. There can be delays in transmission of information, therefore data for current program year should always be considered provisional.*
