Dear Ronald Macdonald

Thank you for your payment on 7 February 2024 in relation to DA 24/01/00041. The available data you have requested is contained in the attached document.

Please note

- The department does not have an existing report that allows for on hand subclass 482 data as at 31 December 2023 and data for the 29 December 2023 has been provided as the closest available. There is no report that allows for on hand subclass 482, 186, 187 data per year.
- The department does not have an existing report that allows extraction of subclass 482 visa refusal data for the metrics provided.
- The department does not have an existing report that provides visa lodgement and decision data for subclasses 186 and 187 from 1 January 2013 to 30 June 2013

The above mentioned data is unable to be provided as this would require manual intervention to extract, interrogate, compile and/or cleanse the data. This would require a substantial and unreasonable diversion of resources from the department's operations.

If we have misinterpreted your request or you have any feedback about the way we have processed your request, please let us know as soon as possible by emailing foi@homeaffairs.gov.au quoting the above reference number.

This case is now closed in all departmental systems.

Thank you for your data request.

Regards
